## Get to know each other

Para naman makilala natin ang isa't isa, ito ang tanong:

What's the habit you're proudest of breaking?

Me first: Ang pagiging lakwatsa. Noon I lose time cutting classes. Simulang naging YFC na ako, hindi na akong nag "cutting class". Tumaas pa grades ko. Galing ni God! :)

Hi! I'm Edison from CFC-Youth for Christ, Campus Based, Mindanao State University-Main Campus. I am actually from Quezon City, but due to financial problems (or probably God's plan), I was sent here in mindanao to continue my studies. Currently a 3rd year BSMech Eng'g Student. I grew up spritually at this campus. God, through the YFC, completely changed my outlook in life. I was once a loner and a pessimist. But not anymore. :laugh:

God bless us all! :lol:
